CLERK, U.S. DISTRICT COURT
NORTHERN DISTRICT OF OHIO
CLEVELAND

Judge Donald C. Nugent
Carl B. Stokes United States District Court House
801 West Superior Avenue, Courtroom 15A
Cleveland, Oh 44113-1842

Dear Judge Nugent,

I am respectfully requesting that you consider early termination of my home monitoring. At my sentencing on July 10, 2024, you said you would consider doing so at the 2 month point if all went well by that point in time.

I completed my time with the BOP on December 2, 2024. On December 3, I began my home monitoring under the supervision of my probation officer, Ms. Jamie Rinella. There have been no problems while I have been under her supervision.

I have completed my community service, well beyond the 40 hours required by the court. I have paid restitution monthly since my release from the BOP. I have had my Social Security reinstated and am working two bookkeeping jobs as a subcontractor for which I requested 1099s at the end of the year.

I intend to continue to move forward with my probation and my life in general in a positive manner. Thank you so much for your consideration.

Respectfully Submitted,

Stephanie D. Condric
